## PRAGUE floorstanding packs

Optimise your bathroom space with the stylish and compact **PRAGUE** vanity unit.

Available in wall hung or floorstanding options with a single soft closing door. The unique curved washbasin design with offset tap position creates a more generous bathing area. Finished to include a complementary mirror creates the ideal vanity pack for your bathroom or ensuite.

PRODUCT GUARANTEES

At **SONAS Bathrooms** our products have become the benchmark for others to follow. Our ranges are specifically tailored to meet the requirements of Homeowners, Installers and Trade Professionals.

All our products are manufactured to appropriate industry standards and where required to the necessary EN standards. For your additional peace of mind, we fully support our product guarantees with our technical support and spare parts after sales service.

In the event that you do encounter a problem with a **SONAS** product please contact us with the details of the fault and a proof of purchase from the **SONAS** dealer where the item was bought and we will do the rest. All after sales or technical queries can be emailed directly to [customerservice@sonasbathrooms.com](mailto:customerservice@sonasbathrooms.com) which will be answered by one of our in-house qualified plumbing advisors.

<b>2 Years</b> - Shower Seats

Please note that above guarantee and extended warranties are applicable for goods installed in a domestic environment with reasonable usage. Any item installed in a public or commercial area will be subject to 1 Year Guarantee. Faults must be reported within the respective guarantee period from proof of purchase date.

Guarantees are limited to product defects and failures arising from the manufacturing process and does not apply to products that have been damaged as a result of transit, misuse, incorrect installation or use of abrasive cleaning products.

SONAS Bathrooms will replace any product with a visual defect or that is manufactured outside of the allowable tolerances according to EN standards, however; all products must be checked for these defects by the installer as SONAS Bathrooms will not be responsible for any refitting or refitting costs associated with replacing the product.

SONAS Bathrooms must be given reasonable opportunity to inspect the product in the installed situation, if removed the product must not be destroyed but should be retained for inspection. Photographic or video media of the product in the installed situation may be requested. Suitable access must be provided in order to reasonably and cost effectively allow for a product to be repaired or replaced under guarantee. SONAS Bathrooms will not be responsible for reinstallation of products that are tiled in to areas without suitable access.

Cleaning & Maintenance

- All products should be cared for with a regular and suitable cleaning regime.
- The use of aggressive cleaning agents should be avoided and in particular on chrome, brass and aluminium surfaces a soft damp cloth and warm soapy water is sufficient.

- Suitable ventilation should be provided and in cases of bathroom furniture materials are water resistant but not water proof, therefore regular maintenance and the removal of excess water on or around the product is necessary to avoid damage.

Exclusions of Guarantee

- Incorrect installation not in accordance with fitting instructions and best plumbing practice.
- Failure to care for and maintain product as per care & maintenance guidelines.
- Improper use of product not in accordance with the intended use and limitations of the product specifications.
- Wilful or negligent damage.
- Damage caused by specific environmental circumstances, excess or negative pressure in the line, insufficient operating pressure as per the product technical specifications, limescale or hard water, aggressive cleaning agents or chemicals.
- Consumable items such as hinges, rollers, seals, cartridges, flexible tails are subject to a 2 Year parts only guarantee.
- Scratches or defects reported post installation.
- Ex display items.

Service Engineer Call Outs

- In cases where products fail under warranty, a replacement part, product or repair will be provided for the period of the guarantee as per the table above.
- If our onsite inspection determines the reported issue is not a manufacturing or materials defect, a call out charge of €100.00 & VAT will be applied.
